

The FORBIDDEN Forest

Phoebe Harrison

GOAL: Find the tree of life seeds and plant them.

THE BEGINNING

You arrive at a mysterious dock. An alseid tells you a dark Giant shadow lord darkened this magic forest. One must save it, before it turns completely dark.

GIANT SHADOW LORD

The Giant shadow lord known as Greylor, as cast a dark magic over this island and cut the magic tree of life down.

SHADOW MINIONS

Greylor's Shadow Minions roam the island and bring prisoners.

EVIL GREEN DRAGON

The Evil Green Dragon known as Acid has been banished into a cave on the other side of the river.

GOLD DRAGON

Golden is located in the crevice in the west. She will give you her egg when you save the island.

PIXYS HIVE

The Pixys live in the East. Pixys come and go and bring offerings to their queen.

TREE OF LIFE

The Tree of life has a golden water moat around it. Its roots soak it up. So it can have power.

NYMPHS

The nymphs live in two different towns. One town has sea nymphs. One has forest nymphs.
